

# KINVET NephroHerb

“Healthy Skin, Radiant Coat, Happy Pets.”

## How to Use KINVET NephroHerb

### Daily Dosage:

**Dogs & Cats:** Dogs & Cats: 1 tablet per 10 kg body weight, once daily.

### When to Administer:

- ✓ **At First Signs:** When thirst spikes or potty breaks increase
  - ✓ **Post-Diagnosis Support:** Partner with your vet’s treatment plan
  - ✓ **Senior Pet Care:** Preserve vitality in golden years
  - ✓ **Breed Guardians:** Ideal for Persian cats, Cocker Spaniels & other CKD-prone companions
- 

## Pet Parent Practices: Do’s

- ✓ **Seal & Store:** Keep dry, cool, and away from sunlight
  - ✓ **Serve with Love:** Blend into wet or dry food for a tasty treat
  - ✓ **Hydration Hero:** Always keep fresh water within paw’s reach
  - ✓ **Monitor Progress:** Celebrate improved appetite, brighter eyes, and steady weight
- 

## Pet parent Practices : Don’ts

- ✗ **Do Not Overdose:** Higher doses won’t accelerate recovery and may upset digestion
- ✗ **Avoid Leaving Bottle Open:** Exposure to air and humidity can degrade powder quality
- ✗ **Don’t Skip Vet Visits:** This supplement supports kidney health but is not a substitute for professional care
- ✗ **Do Not Use for Acute Kidney Failure Without Vet Approval:** For chronic support only

## Pro Tip

### Give Your Pet the Gift of Comfort and Vitality

**Order KINVET NephroHerb today** and watch them thrive—because every moment with a happy, healthy pet is priceless.
