

KINVET DigestHerb

Gentle Relief, Balanced Tummies, Happy Pets.”

How to Use KINVET DigestHerb

Daily Dosage:

Dogs & Cats: 1 tablet per 10 kg body weight, once daily.

Crush and sprinkle into meals or offer directly—once daily—for fast, gut-soothing support.

When to Administer:

- ✓ Acute Diarrhea Episodes
 - ✓ During or After Antibiotic Therapy
 - ✓ Recovery from GI Infections
 - ✓ Sensitive or Irregular Stomach Conditions
-

Pet Parent Practices: Do’s

- ✓ **Store Properly:** Cool, dry place—seal tightly
 - ✓ **Serve Consistently:** Mix with wet or dry food; palatable powder
 - ✓ **Observe Closely:** Note stool quality, appetite, energy levels
 - ✓ **Vet Collaboratively:** Use alongside your veterinarian’s care plan
-

Pet parent Practices : Don’ts

- ✗ **Don’t Overdose:** Stick to recommended dose—more isn’t better
- ✗ **Avoid Moisture:** Don’t leave bottle/container open or in humid areas
- ✗ **Don’t Skip Check-ups:** Not a replacement for professional diagnosis
- ✗ **Not for Acute, Severe Cases Alone:** Always seek vet advice for emergencies

Pet Parent Tip:

“Pets won’t tell you when their tummy’s off – but their droppings will. KINVET DigestHerb helps you catch gut imbalances early and restore digestive harmony.”
