# **KINAL VETLIFE SCIENCE**

**Pioneering the science of Animal Vitality**

(A division of Kinal Global Care Private Limited)

## Choose The Right Species Centric Health Challenge

Our advanced science-built nutraceuticals go beyond nutrition, they protect gut health, build strong immunity, and elevate performance.

## POULTRY

Category	Farm Challenge	Product Name	Product Code
Gastrointestinal & Digestive	Rumen problems, Poor digestion, reduced appetite, irregular feces	KINVET FlockDrop	KV-PG-101
Gastrointestinal & Digestive	Decreased feed intake, decreased milk production, poor body condition score	KINVET FlockDrop	KV-PG-101
Gastrointestinal & Digestive	Loose droppings & wet litter management	KINVET FlockDrop	KV-PG-101
Gut Health	Poor gut health, Diarrhea	KINVET GutMaster	KV-PG-102
Gut Health	Poor nutrient digestibility and absorption, Malabsorption syndrome (especially in broilers)	KINVET GutMaster	KV-PG-102
Gut Health	Gut dysbiosis due to antibiotic stress	KINVET GutMaster	KV-PG-102
Gut Health	Toxin problems like Mycotoxicosis	KINVET MycoGuard	KV-PG-103
Gut Health	Low FCR, Reduced growth	KINVET MycoGuard	KV-PG-103
Reproductive systems (Layer & breeders)	Optimum ovarian function	KINVET OvuLay	KV-PR-201
Reproductive systems (Layer & breeders)	Low semen volume	KINVET OvuMax	KV-PR-202
Reproductive systems (Layer & breeders)	Poor fertility in breeder males	KINVET OvuMax	KV-PR-202
Reproductive systems (Layer & breeders)	Egg Yolk yellow color enhancer	KINVET YolkRich	KV-PR-203
Renal System	visceral gout/ kidney problems	KINVET RenalGuard	KV-PRE-301
Renal System	Decreased feed and water intake, weak birds	KINVET RenalGuard	KV-PRE-302
Renal System	Ascites & nephritis in broilers	KINVET RenalGuard	KV-PRE-302

Category	Farm Challenge	Product Name	Product Code
Nutritional support	Low chick growth at initial phase	KINVET BroodWell	KV-PN-401
Nutritional support	Natural Choline supplement	KINVET CholiMax	KV-PN-402
Fly management, Poultry Hygiene	Ammonia Build-Up, Myiasis (Maggot problems)	KINVET FlyGuard	KV-PI-403
Liver System	Fatty liver syndrome in layers	KINVET LivDetox	KV-PL-501
Liver System	Counteract mycotoxins, low liver function	KINVET LivDetox	KV-PL-501
Liver System	sudden death, pale combs and wattles,	KINVET LivDetox	KV-PL-501
Natural Non-Antibiotic growth promoter	Poor digestion & Poor nutrient absorption, loss of appetite, retarded growth, general weakness, and diarrhea	KINVET BioGrow	KV-PNAGP-601
Natural Non-Antibiotic growth promoter	Natural alternative to Antibiotic growth promoter	KINVET BioGrow	KV-PNAGP-601
Vaccine dye indicator	Difficulty in monitoring Vaccination process, Free chlorine in water	KINVET VaxiBlue	KV-PV-701

## RUMINANTS

Category	Farm Challenge	Product Name	Product Code
Gastrointestinal & Digestive	Rumen Dysbiosis	KINVET YeastPro	KV-RGD-101
Gastrointestinal & Digestive	Poor digestion, reduced appetite, irregular feces	KINVET YeastPro	KV-RGD-101
Gastrointestinal & Digestive	Optimum rumen function	KINVET ProBoost	KV-RGD-102
Gastrointestinal & Digestive	Reduced feed efficiency	KINVET ProBoost	KV-RGD-102
Gastrointestinal & Digestive	Reduced cud chewing & poor fiber digestion	KINVET ProBoost	KV-RGD-102
Reproductive Health	Retained Placenta	KINVET PlacenCare	KV-RRH-201
Reproductive Health	Metritis	KINVET PlacenCare	KV-RRH-201
Reproductive Health	Discoloured and rotting membrane visible from the cow after calving.	KINVET PlacenCare	KV-RRH-201
Reproductive Health	Delayed uterine recovery	KINVET PlacenCare	KV-RRH-201
Reproductive Health	Poor Fertility Due to Nutrient Gaps	KINVET ReproMax	KV-RRH-202
Reproductive Health	Irregular estrus cycles	KINVET ReproMax	KV-RRH-202
Heat Stress	Heat Stress, Dehydration	KINVET HeatRex	KV-RHS-301
Heat Stress	Animal spend increased time standing	KINVET HeatRex	KV-RHS-301
Heat Stress	Lack of energy in animals	KINVET HeatRex	KV-RHS-301
Milk Production & Quality	Mastitis	KINVET MastiSure	KV-RMPQ-401

Category	Farm Challenge	Product Name	Product Code
Milk Production & Quality	Inflammation of the udder that turns into a red and hard mass	KINVET MastiSure	KV-RMPQ-401
Milk Production & Quality	Elevated SCC (Somatic cell count)	KINVET MastiSure	KV-RMPQ-401
Milk Production & Quality	Low Milk Fat	KINVET FatMax	KV-RMPQ-402
Milk Production & Quality	Poor milk consistency and reduced SNF	KINVET FatMax	KV-RMPQ-402
Milk Production & Quality	Low milk yield	KINVET LactUp	KV-RMPQ-403
Milk Production & Nutritional support	Low milk production	KINVET SeaMoo	KV-RMPN-501
Milk Production & Nutritional support	General Weakness	KINVET SeaMoo	KV-RMPN-501
Milk Production & Nutritional support	Weakness during peak lactation	KINVET SeaMoo	KV-RMPN-501
Milk Production & Nutritional support	Recovery support during nutritional stress	KINVET SeaMoo	KV-RMPN-501

## PETS

Category	Farm Challenge	Product Name	Product Code
Urinary Health	Frequent urination	KINVET UroHerb	KV-PUH-101
Urinary Health	Blood in urine & other Urinary tracts problems	KINVET UroHerb	KV-PUH-101
Urinary Health	Optimum rumen function	KINVET UroHerb	KV-PUH-101
Hip & Joint	Limping, stiffness, difficulty jumping, Difficulty rising	KINVET OrthoHerb	KV-PHJ-201
Hip & Joint	Osteoarthritis, Hip problems	KINVET OrthoHerb	KV-PHJ-201
Dermal	Itching, red skin, hair loss	KINVET DermaHerb	KV-PD-301
Renal	Increased thirst & other kidney problems	KINVET NephroHerb	KV-PR-401
Renal	weight loss, vomiting	KINVET NephroHerb	KV-PR-401
Digestive	Diarrhea, Poor gut health	KINVET DigestHerb	KV-PD-501
Digestive	Watery stool, lethargy, dehydration	KINVET DigestHerb	KV-PD-501
Nervous	Aggression, epilepsy, seizures	KINVET NeuroHerb	KV-PN-601
Nervous	Anxiety, fear, and canine cognitive dysfunction syndrome (CDS) in old age pets	KINVET NeuroHerb	KV-PN-601
Respiratory	Coughing, fatigue, weight loss	KINVET RespoHerb	KV-PRE-701

## SWINE

Category	Farm Challenge	Product Name	Product Code
Weight gain & Overall nutrition	Low weight gain in pigs	KINVET PigNatur	KV-SWN-101
Weight gain & Overall nutrition	Poor nutrient utilization in feed	KINVET PigNatur	KV-SWN-101
Weight gain & Overall nutrition	Poor Appetite and Reduced Growth, poor FCR	KINVET PigNatur	KV-SWN-101
Weight gain & Overall nutrition	Uneven growth performance within batches	KINVET PigNatur	KV-SWN-101
Diarrhea control	Digestive disturbances after feed change	KINVET PigBiotix	KV-SDC-201
Diarrhea control	Gut microbial imbalance during weaning	KINVET PigBiotix	KV-SDC-201
Diarrhea control	Diarrhea & Poor gut health	KINVET PigBiotix	KV-SDC-201
Diarrhea control	Watery diarrhea, dehydration	KINVET PigBiotix	KV-SDC-201

## AQUACULTURE

Category	Farm Challenge	Product Name	Product Code
Mineral Supplementation	Low survival rate due to mineral deficiency	KINVET AquaMin	KV-AM-101
Mineral Supplementation	Poor growth, weak exoskeleton (shrimp), reduced feed efficiency	KINVET AquaMin	KV-AM-101
Soil Probiotic	Environmental stress in ponds	KINVET AquaSoil	KV-AS-201
Soil Probiotic	Sludge build-up in ponds	KINVET AquaSoil	KV-AS-201
Soil Probiotic	Toxic gases, and disease outbreaks	KINVET AquaSoil	KV-AS-201
Soil Probiotic	ammonia/H <sub>2</sub> S spikes, low oxygen, high FCR, mortality	KINVET AquaSoil	KV-AS-201
Growth, Immunity & Antioxidant Support	Low growth, Weak immunity and oxidative stress in shrimp	KINVET AquaGrow	KV-AM-101
Growth, Immunity & Antioxidant Support	High mortality, vulnerability to infections, poor stress resistance	KINVET AquaGrow	KV-AGIA-301
Gut Health /Gut probiotic for aqua	Poor nutrient absorption, unstable plankton bloom	KINVET AquaGut	KV-AGH-401
Gut Health /Gut probiotic for aqua	Undigested feed in ponds	KINVET AquaGut	KV-AGH-401
Water Quality & Gut Health Management	Harmful bacteria, ammonia spikes, poor digestion, organic waste accumulation	KINVET AquaBlu	KV-AWG-501
